

# LONG-TERM RECOVERY GROUP LAUNCH EVENT

A collaborative effort to strengthen **recovery**, **coordination**, and **community resilience** after Hurricane Helene.

Register Today!

January 14 | 11 a.m. - 1 p.m.

Pickens County Emergency Management | 222 McDaniel Ave., Pickens  
Virtual Option Available

## WHO SHOULD ATTEND?

- Nonprofit & human service organizations
- Faith-based organizations and faith leaders
- Local and county government representatives
- Emergency management and public safety partners
- Organizations involved in housing, construction, case management, or volunteer coordination
- Community leaders interested in supporting long-term disaster recovery

 This event is especially relevant for organizations who want to collaborate, contribute resources, or better understand how long-term recovery works after a disaster.  

## WHAT TO EXPECT

- What a Long-Term Recovery Group (LTRG) is and how it functions
- An overview of ongoing unmet needs in Pickens County
- How partners coordinate resources, case management, and recovery efforts
- An introduction to LTRG committees and ways organizations can engage
- Opportunity for questions, connection, and next steps
- Refreshments provided following the meeting

## REGISTER TODAY!
